

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

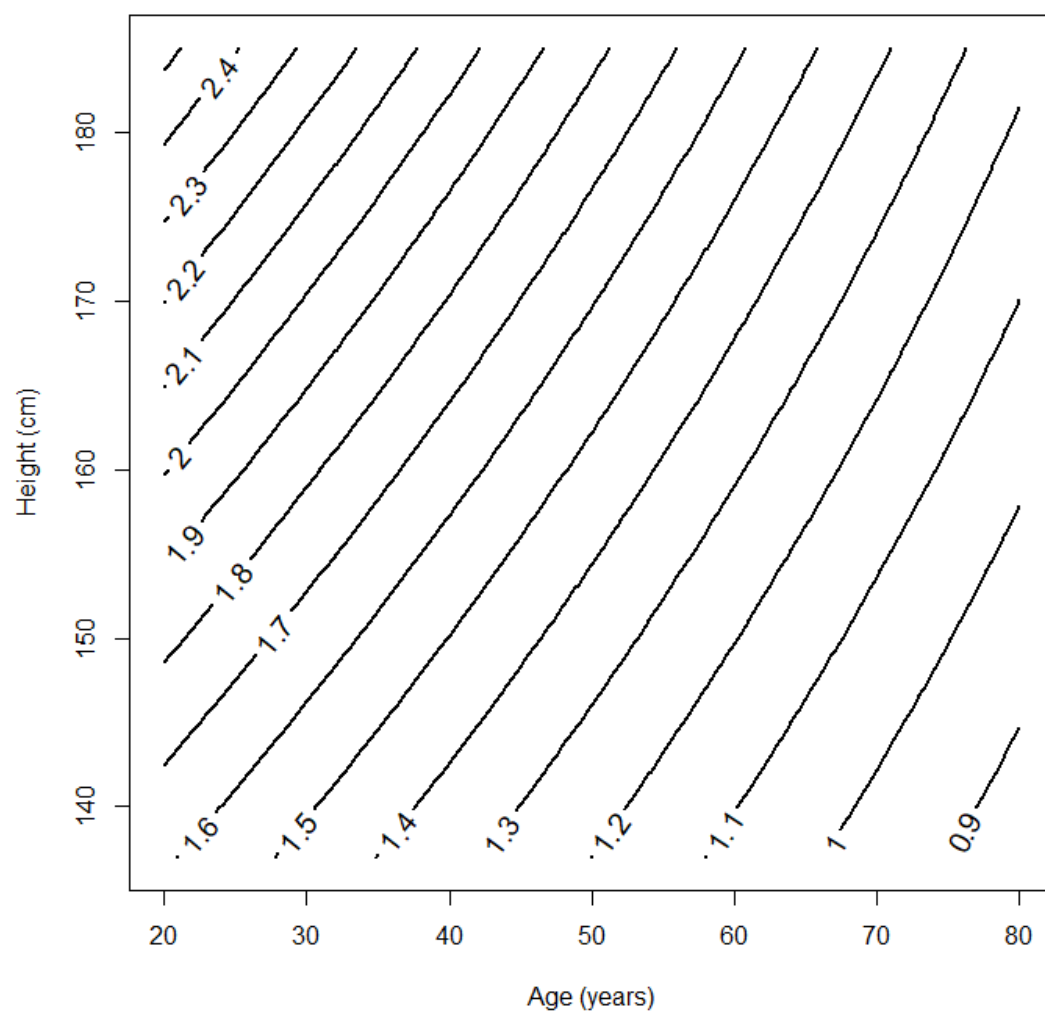

Contour plot of FEV₁ predicted values for Females

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

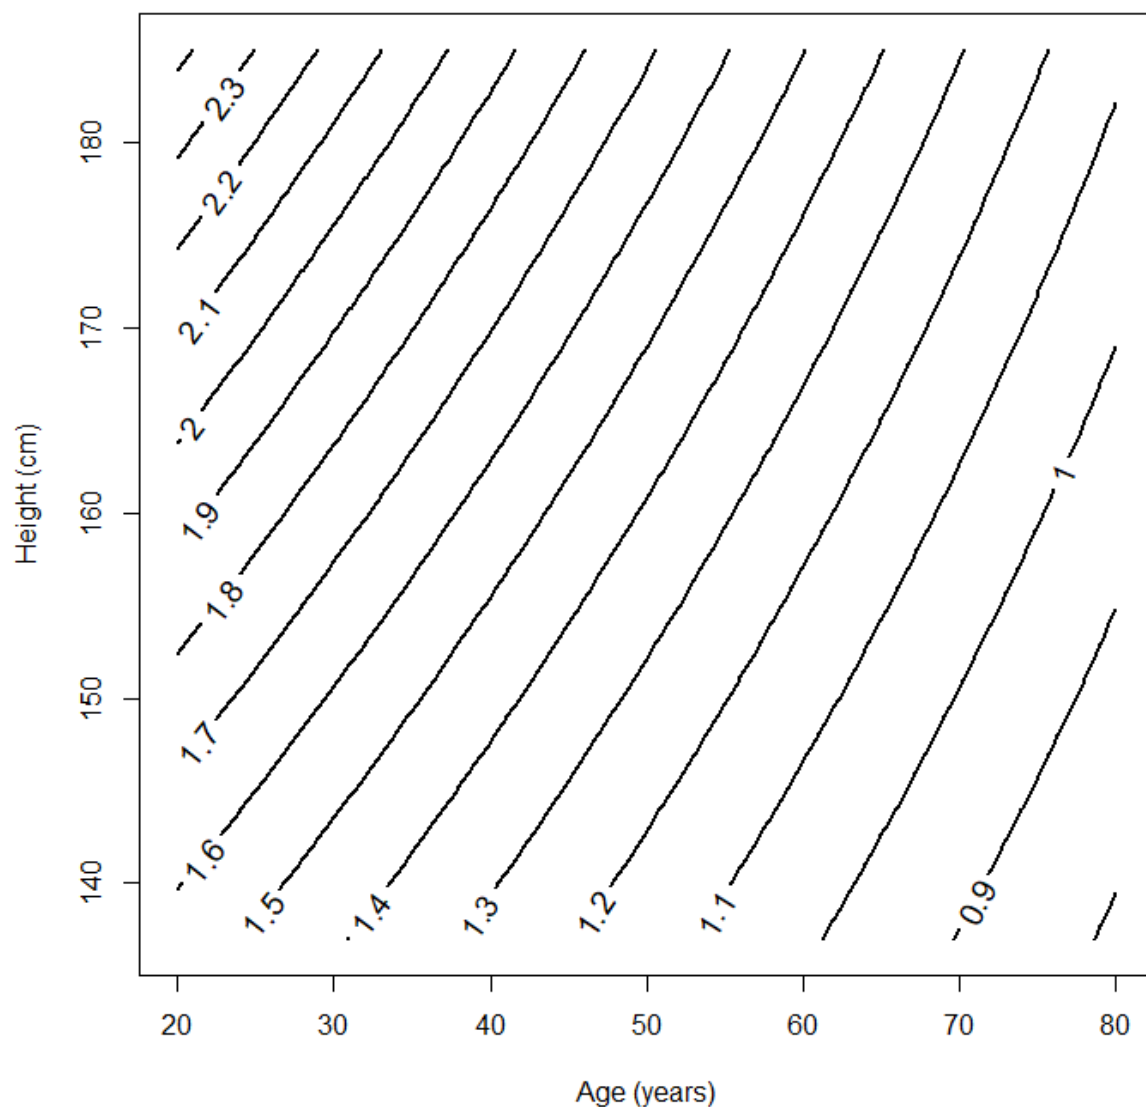

Contour plot of 5th centile for FEV₁ in Females

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

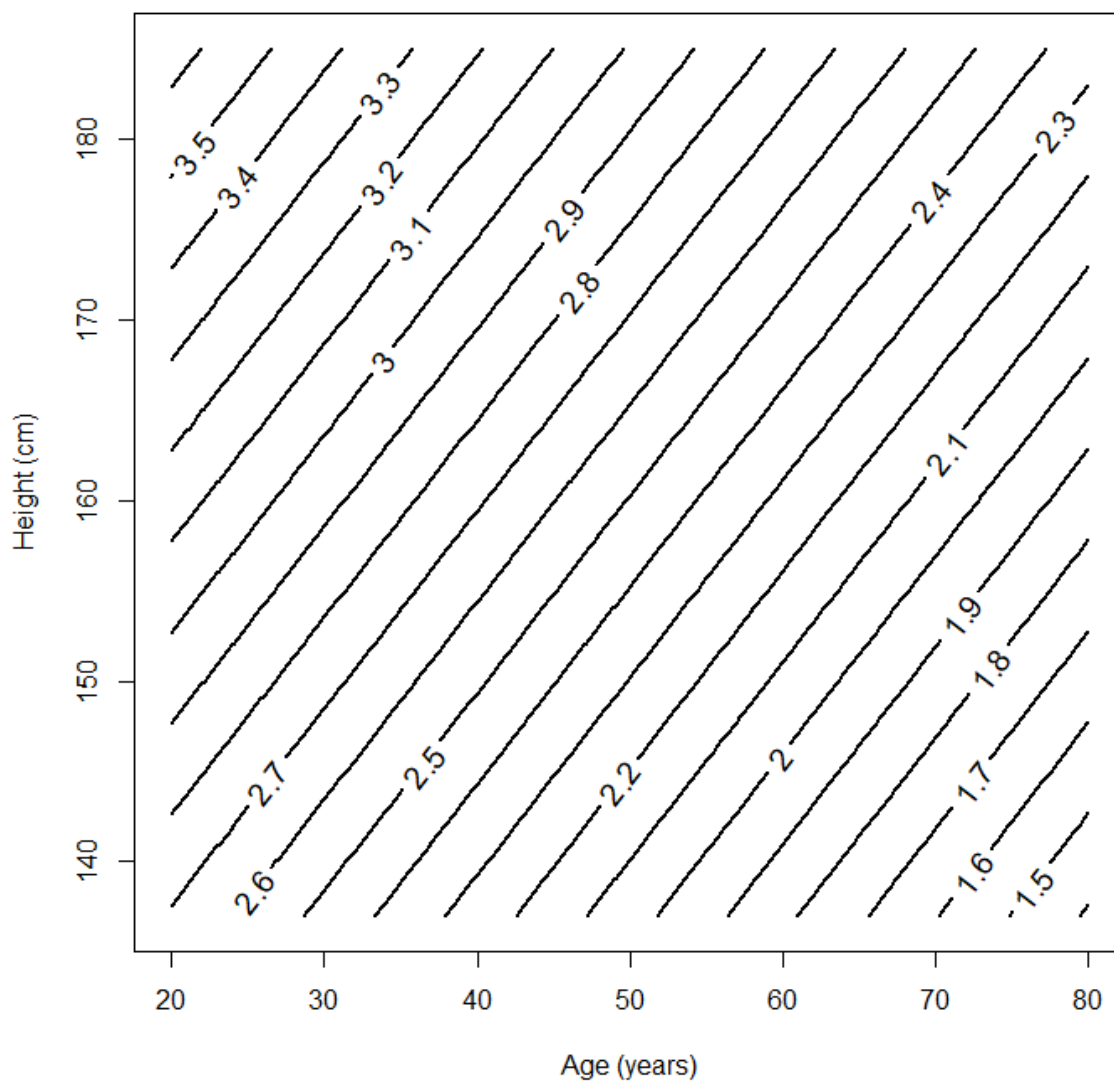

Contour plot of 2.5th centile for FEV₁ in Females

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

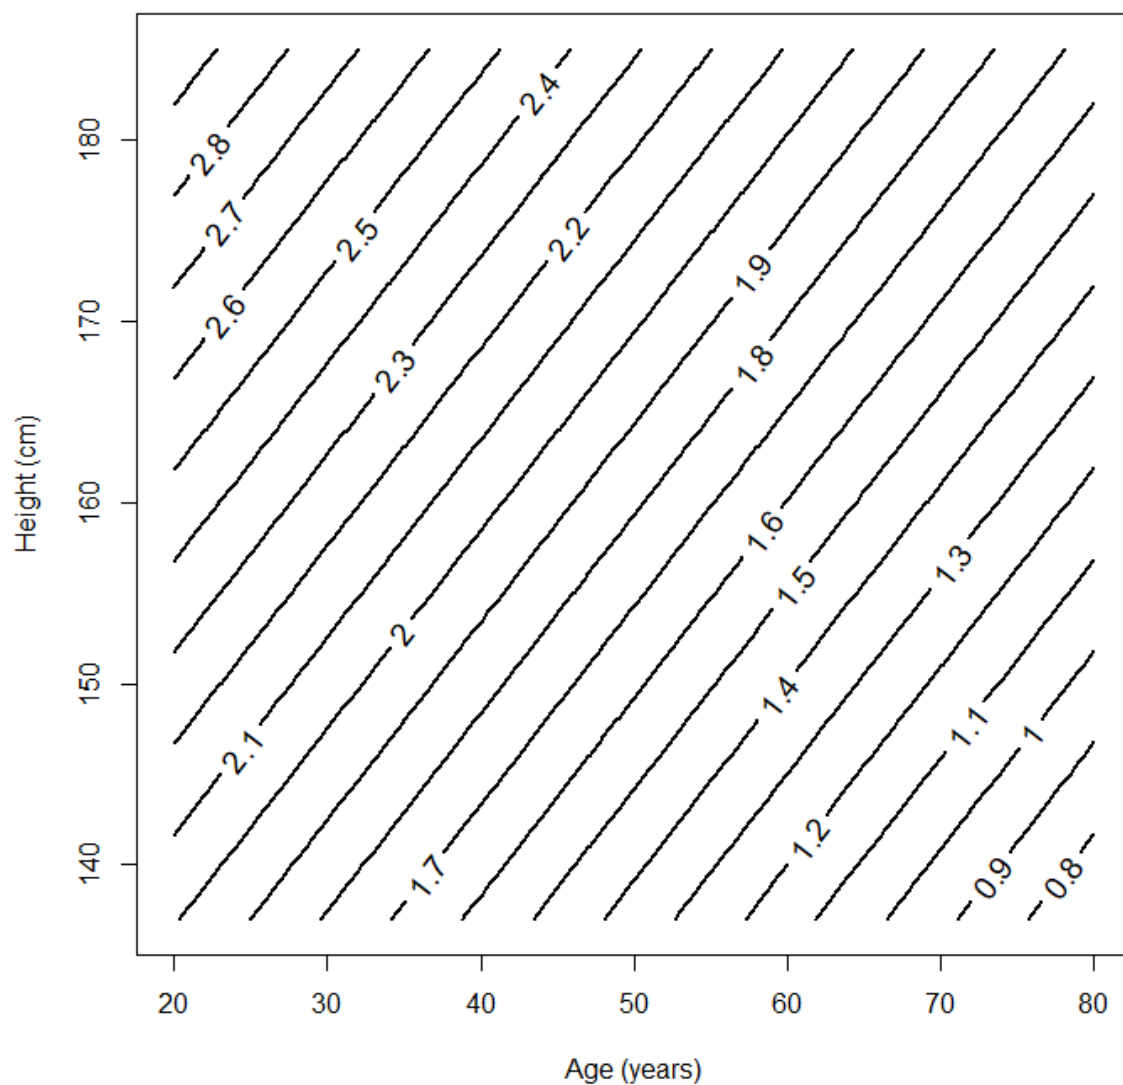

Contour plot of FEV₁ predicted values for Males

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

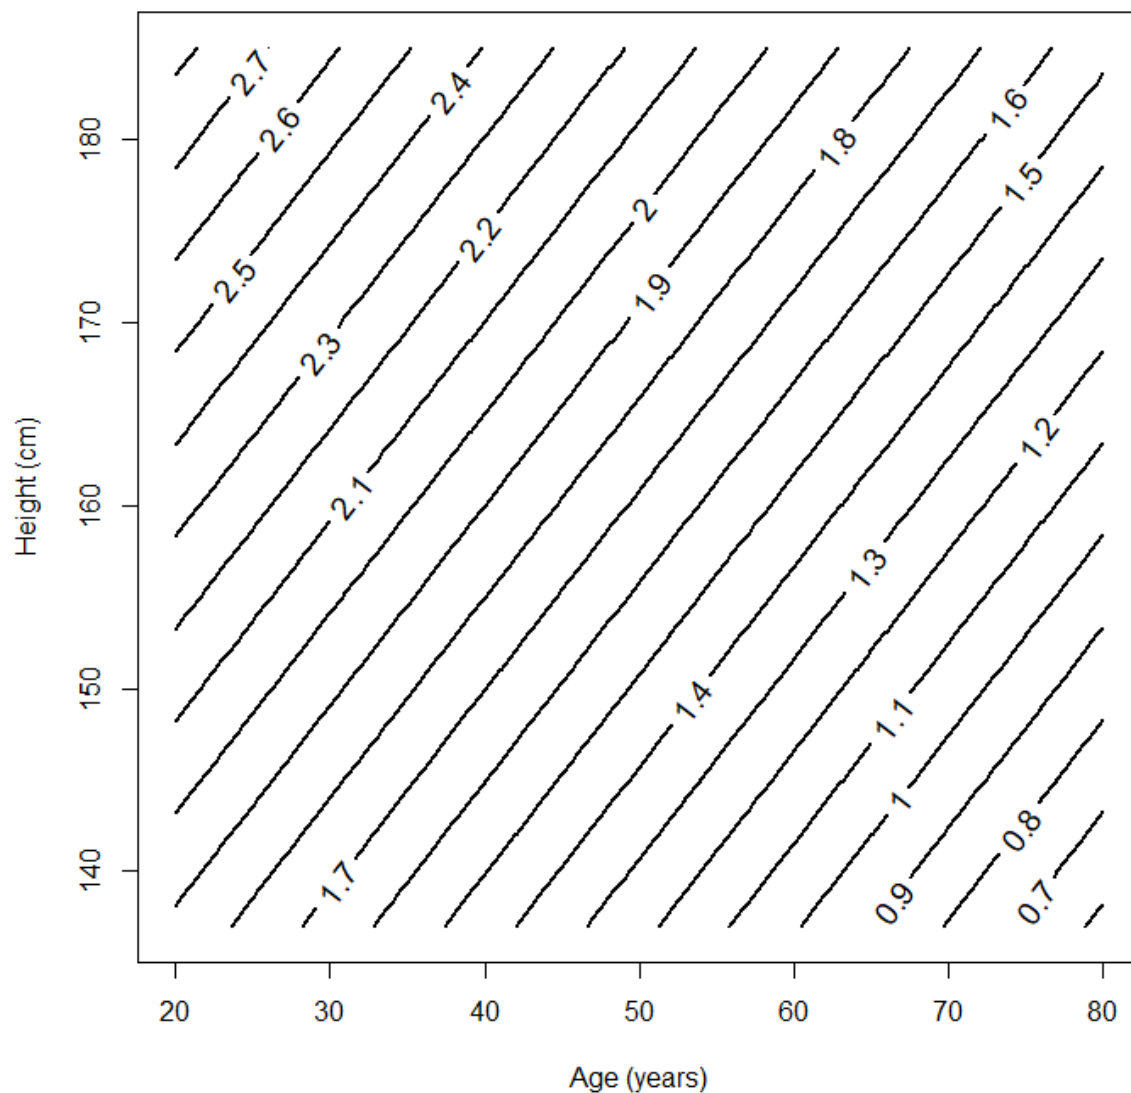

Contour plot of 5th centile for FEV₁ in Males

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

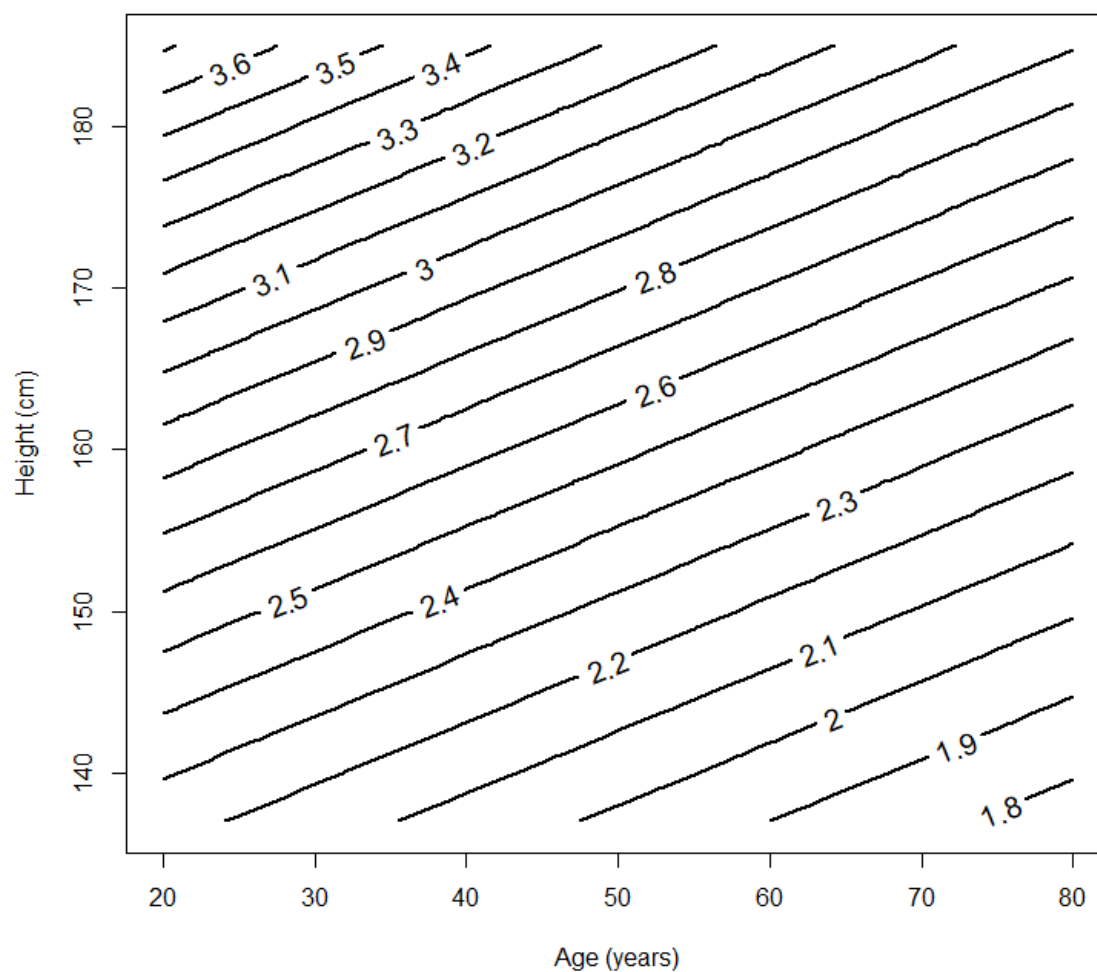

Contour plot of 2.5th centile for FEV₁ in Males

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

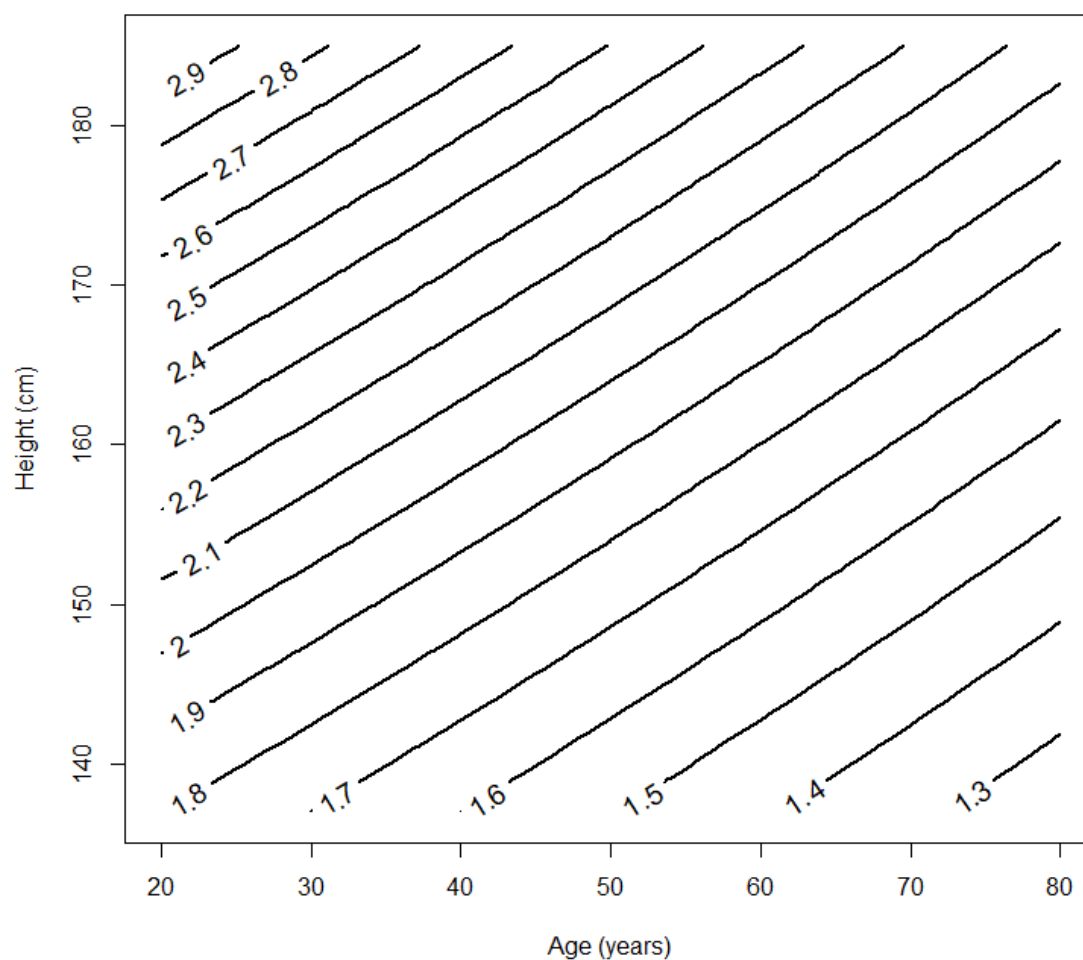

Contour plot of FVC predicted values for Females

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

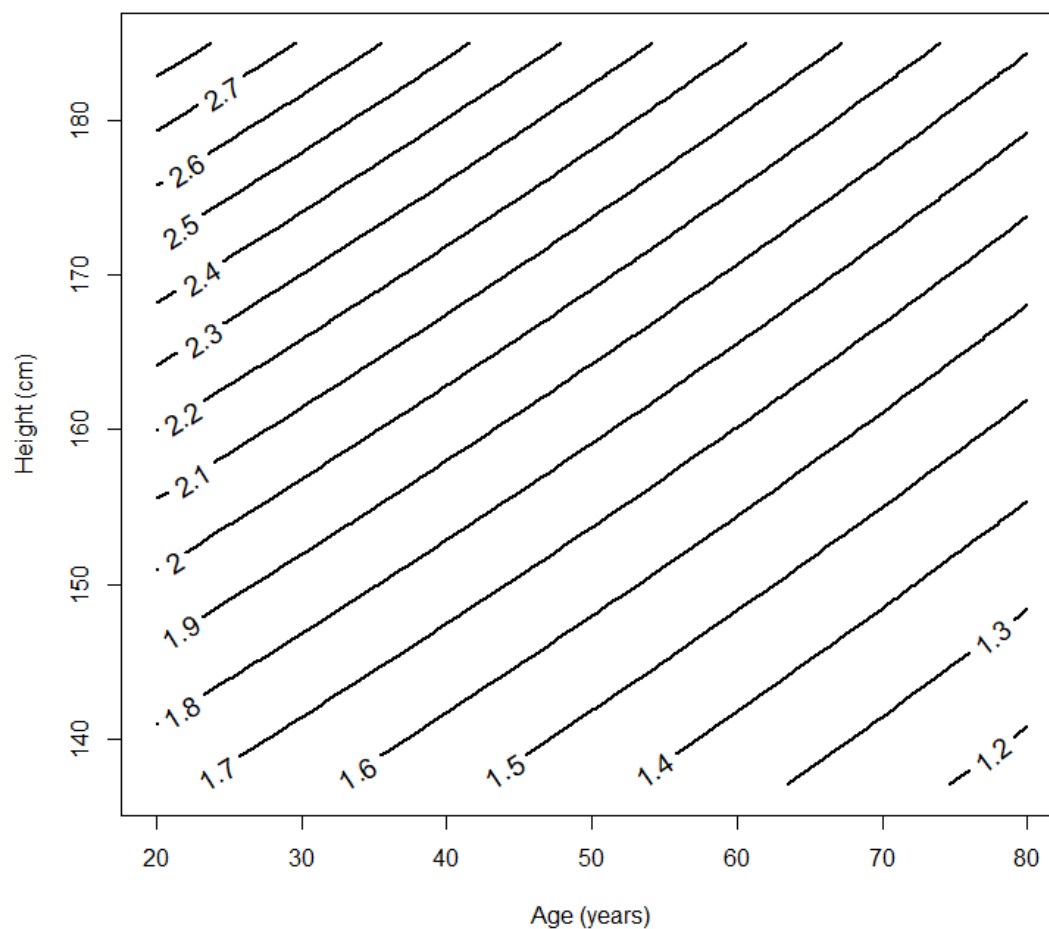

Contour plot of 5th centile for FVC in Females

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

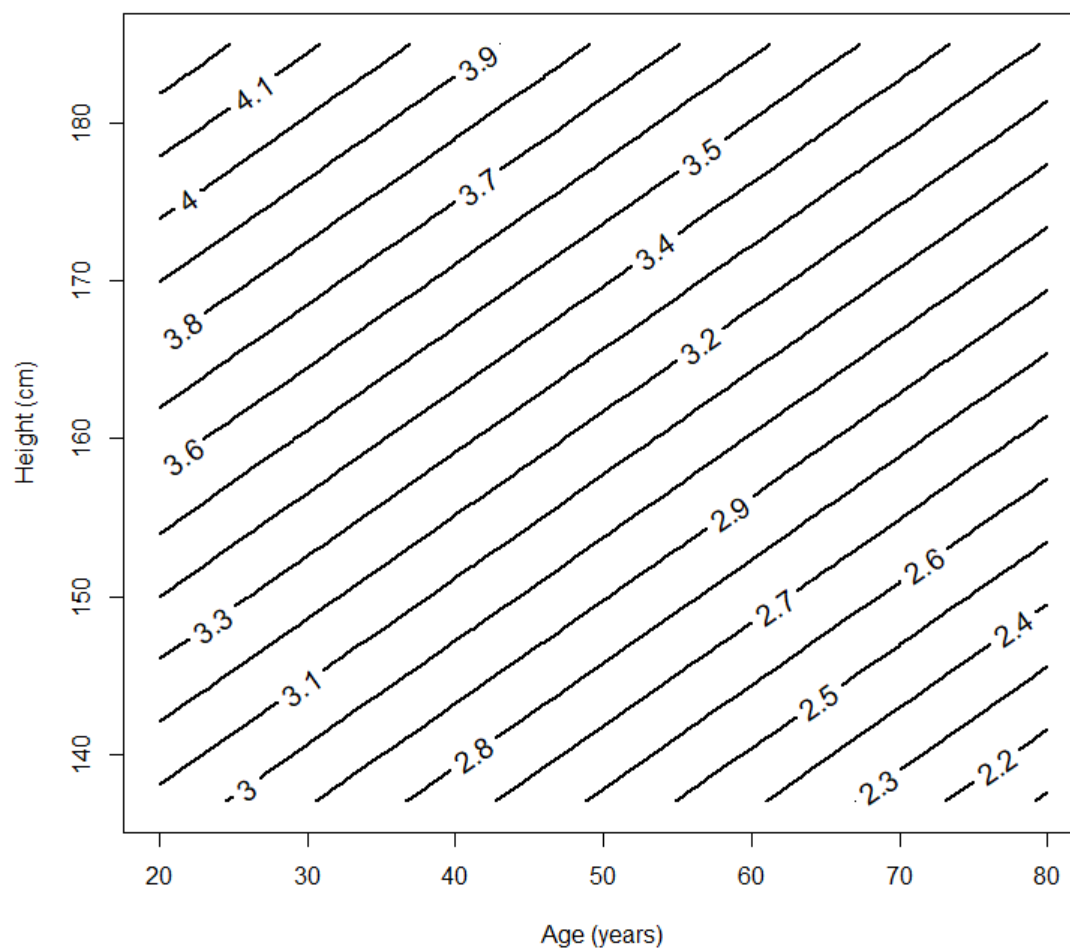

Contour plot of 2.5th centile for FVC in Females

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

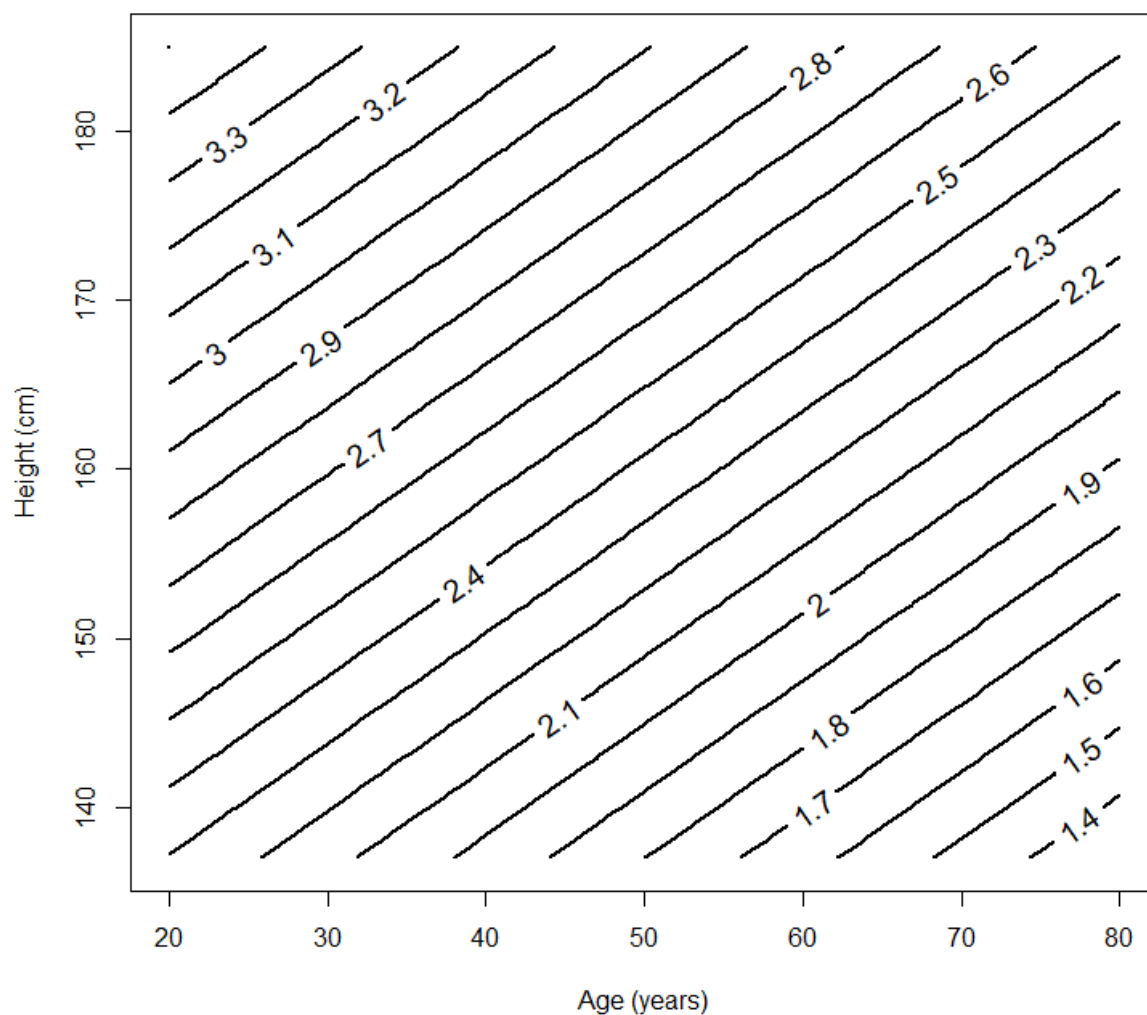

Contour plot of FVC predicted values for Males

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

Contour plot of 5th centile for FVC in Males

Supplementary File 3: Contour plots showing predicted values for FEV₁ and FVC in both male and female at 2.5th centile and 5th centile

(ERJ manuscript number ERJ-02129-2019.R2)

Contour plot of 2.5th centile for FVC in Males
